High quality embroidery can be a great way to promote your business, group, or event. We have over 30 years of experience, 25 heads of embroidery on our 6 Tajima Multi-Head embroidery machines, & will process your order (large or small) in a timely manner to meet all of your needs. We offer a full line of products that can be embroidered, or feel free to bring in your own item... if we can hoop it, we can embroider it!\*Digitize: draw original logo in digital format for use in embroidery machine
