

Baker Landscaping

11956 William Penn Hwy
Pennsylvania 16652
United States of America

Phone: 814-643-0536

Dale Baker, owner of Baker Landscaping, worked in sawmill logging for 21 years while doing mulching, mowing, and landscaping part time. As his part time work load increased, he opened Baker Landscaping in April of 2001. Baker Landscaping is a small-town family-run business which has since picked up several employees who strive to provide the best service and highest customer satisfaction possible.
